**THE DATE DOCTOR HAPPY HOUR  
PALACE THEATER HOSTS SPEED DATING EVENT**

**WATERBURY – Join The Date Doctor** March 1, 6:00pm at the Palace Theater for a FREE happy hour in the Poli Club. Enjoy some great happy hour food, a fun ice breaker and a great crowd of singles. Grab your friends or come alone and make some new friends. Whatever you do, don't miss this fun time!

Jaimy Blazynski, is The Date Doctor, a persona and business she created in 2005. When asked what qualifies her as a dating expert she quips, "lots of experience".

Married, divorced, and a single mother for many years she met her second husband after 13 match.com dates. She admits to learning a great deal through that entire experience. The most valuable lesson was that attitude is everything. Okay, maybe not everything but a bad attitude can make the most attractive people look ugly!

She began her labor of love for two reasons. The first is to help others learn from the mistakes she made and challenges she had when she was out in the dating world. Her mantra is "Everyone can find true love as long as they believe it is available to them. Change your attitude and it can change your life! Especially your love life! ". The second reason is because she gets a rush of excitement every time a successful match is made. And her company has had many successes.

So whether it's the newly married with their first baby Melissa and Kevin, forty-somethings like Dee and Doug, 50's boomers like Darcy and Monty or a late 60's couple

like Rita and Harley, they all have one thing in common - they are the success stories of Got 5 Minutes. Blazynski's motto is simple, " I will never stop until I have married everyone off!"

The Date Doctor and her team of dating experts have been offering speed dating, singles events and the best dating advice since 2005 serving singles in Connecticut and Richmond Virginia.
